The Mid-Columbia Center for Living (MCCFL) is a comprehensive outpatient behavioral health agency. MCCFL offers a wide range of services to adults, children and families. MCCFL is the designated behavioral health agency for Hood River, Sherman, and Wasco counties, providing services through a variety of programs funded by the State, local government, grants, and third party resources.

Translation services for non-English speakers and the hearing impaired are available upon request. Mid-Columbia Center for Living does not discriminate against any applicant for services or employment and/or any client, patient, resident, consumer or employee because of race, color, religion, sex, age, national origin, political affiliation, handicap or disability, or any other protected class status. ■
